

Remote Classroom Charter

This charter acts as a home school agreement about how we use video meetings and livestreamed lessons to support my learning at home

These principles keep me and others safe whilst in a video meeting and during livestreamed lessons online

- ☐ I will keep any logins, meeting links and passwords private and only share them with my parents/carers
- ☐ I will try to get into a suitable area for working which doesn't have too many distractions or noise. This will help me (and other people taking part in the lesson) to concentrate on learning
- ☐ Everybody in my home will make sure only appropriate things can be seen or heard in the background when I am in the livestreamed lesson or video meeting
- ☐ I will tell my teacher or adult straight away if there is something on screen that makes me upset or feel uneasy or uncomfortable
- ☐ I understand that livestreamed lessons and video meetings will be recorded to safeguard me and my teachers.
- ☐ I will use Rights Respecting language when talking in the livestream lesson and also if I add any written comments or other work to the session
- ☐ I understand that the Remote Classroom Charter helps me to use Right's Respecting principles to conduct myself appropriately during online lessons or meetings, just like when I am learning at school

To be part of a positive learning experience whilst online, I and my parents/carers agree to use the above principles of the Remote Classroom Charter.

I understand that if the charter is not followed appropriately, I may be asked to leave the livestreaming lesson or video meeting.
