

**PE and Sport Premium
Virginia Primary School
2019-2020 Evaluation**

Our Vision

We want Virginia Primary School to be a community of happy, confident, motivated lifelong learners. We want our children to be successful citizens who value themselves and each other. Therefore, we are continually striving to ensure that we nurture, challenge and enable each and every one to be the very best they can be in all areas of school life.

Rights Respecting School

We are a Rights Respecting School and our approach to sports premium spending supports the following articles from the United Nations Convention on the Rights of a Child:

Article 28: Every child has a right to an education.

Article 29: Education must develop every child's personality, talents and abilities to the full.

Article 31: Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Article 24: Every child has the right to the best possible health.

PE and Sport Premium Grant 2019 – 2020

The grant for 2019 -2020 was: £16,279

It was spent in the following ways:

- Curriculum Support/CPD (Badu Sports) £5.000
- Sports leader – £1500
- Specialised sports equipment – £500
- Year 2/3 introduction to swimming and year 4/5/6 intensive weeks – £6,500
- Adventure learning - £2000
- Sporting visits/events - £800

Impact

COVID 19 pandemic

On the 23rd of March 2020, Schools across the UK were closed in response to the COVID 19 pandemic. Virginia Primary has been open to keyworker and vulnerable children, children in years N,R 1 and 6. Promotion of physical activity has been a key focus for all children through teacher blogs and remote learning. When the school is open to full capacity, our 'recovery curriculum' aims to increase sports provision and deliver at least 1 hour of physical activity daily. The following information provided gives detail of the PE and Sports provision from September 2019 - March 2020.

Curriculum, Learning and Teaching

- The continued use of BADU sports and TH cricket coaches has enabled all staff to have good CPD in a variety of sports including Tag rugby, multisports, football, gymnastics and cricket.
- Year 6 attended the Women's Super League at London Stadium in September.
- Year 6 partnership with Mulberry Academy. Attending PE sessions every Friday afternoon over the Autumn and Spring terms.
- Intensive Swimming courses were held for Year 3 and Year 5. The daily lessons enabled the children to make rapid progress in their swimming competency. Swimming for other year groups will be a key focus once swimming facilities are open and safe to use.

Participation and Pupil Voice

- Our sports leaders from KS2 continue to go from strength to strength. They are voted for by the children after giving speeches during assembly. They are trained by our physical and mental wellbeing leader and then they support her in delivering sessions on the pitch during lunch times. They also support other lunchtime play leaders to facilitate inclusive games across the year groups.
- We have initiated a sports partnership with Columbia Primary School. In the autumn term, we hosted two friendly football matches and were hoping to host more in the summer term.
- We continue to have a very high level of participation from our children in competitions. Girls sport continues to be a real strength of our school.
- Hosting Sports Relief this year encouraged all of our children and families to participate in doing sport and having fun so that everyone can feel good and change other people's lives for the better.
- A Mini Mermaid Club was established, 12 girls across KS2 participated in the running programme that also looks at the whole child and helps instil behaviours and skills that positively impact girls emotional, physical and mental wellbeing.

Adventure Learning

- Our adventure learning programme gives children access to a broad range of activities that they would not normally have access to. Some of the activities the children experience include climbing, archery and orienteering. All of the activities promote team work and collaboration, essential for success in many sports.
- Our adventure learning programmes were fully attended and a great success:
 - Year 5 Allnatt Outdoors (Swanage)
 - Year 4 Sayers Croft (Surrey)

Competitions

Some of the competition we participated in:

- Year 4 Rugby Festival - *This influenced Tag Rugby to be a new found favourite sport in year 4 which then was successfully taught in the spring term.*
- Year 3-6 Panathlon Para Sports Games – *SEND provision*
- Year 3-4 Football, E1 Cluster
- Year 5/6 Indoor Cricket – *placed 4th*
- Year 3-6 Boccia – *SEND provision*
- Year 5-6 Quicksticks Hockey.
- KS2 3v3 Basketball
- Football Year 5/6 Boys – *Placed top 8 from 30 schools, the development of teamwork.*
- Football Year 5/6 Girls - *made the borough finals - This had an impact on the friendships between the two year groups and helped to boost confidence of targeted Year 5 girls who also developed a growth mindset in the classroom.*

Twitter

Our Twitter feed on our website shows how much we do as a school and how much all of our children love being active.
